EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest prior art of record, namely, Hower, Jr. et al. (U.S. Patent No. 5,467,434) and/or Sasaki (U.S. Patent No. 5,228,118) do not disclose, teach or suggest, a formatted print list creation unit that extracts only formatted prints containing required printing conditions executable by the printer used for printing out of a plurality of formatted prints that is respectively composed of required printing conditions and optional printing conditions, and displays a list of the extracted formatted prints on a display; a print condition setup unit that sets the optional printing conditions of the formatted print selected from the list within a range of capability of the printer used for printing by referring to the printer capability data of the model that is acquired by the printer acquiring unit; and a printer driver that allows the printer used for printing to perform printing under the required printing conditions of the formatted print selected from the list and the optional printing conditions set by the print condition setup unit, as claimed in independent claim 2.

Art Unit: 2625

Independent claim 9, 15, 17, 18 and 21 recite the same and/or similar claim limitations as recited in independent claim 2 above. Therefore, independent claims 9, 15, 17, 18 and 21 are found to be allowable, over the closest prior art of record mentioned above, for the same and/or similar reasons as stated above in independent claim 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
